

Delivering the AI Strategy – the use of new AI technologies in industry and the public sector

Wednesday 23rd February 2022

Zoom Webinar: 6:00 – 7:30pm

In-person Event (including dinner): 5:30 – 9:30pm

Speakers:

- **Professor Dame Wendy Hall DBE FRS FREng**, Regius Professor of Computer Science, University of Southampton
- **Lord Clement-Jones CBE**, House of Lords and Joint Chair of the AI All Party Parliamentary Group
- **Professor Geraint Rees FMedSci**, Pro-Vice-Provost AI, University College London
- **Professor Tom Rodden**, Chief Scientific Adviser, Department for Digital, Culture, Media & Sport

Chaired by the Rt Hon Lord (David) Willetts, Chairman of the Foundation for Science and Technology

In September 2021, the UK Government published the National AI Strategy. Part of this Strategy is to support the transition to an AI-enabled economy. In this event, we will look at how AI technologies are being deployed now in the public and private sectors, and expectations for the coming years.

Participating Online

The schedule for those participating online is:

6:00 – 7:30 pm Zoom webinar with four speaker presentations and a Q&A panel session with the speakers forming a panel. The Chair will take questions from both the online and in-person audiences

To register for the **online** session, click [here](#).

Participating in person

The event will be held in the Royal Society, 7 Carlton House Terrace, London SW1Y 5AG. The schedule for those attending in person is:

5:30 – 6:00 Networking – coffee and tea available

6:00 – 7:30 Four speaker presentations and a Q&A panel session with the speakers forming a panel. The Chair will take questions from both the online and in-person audiences

7:30 – 8:00 Drinks

8:00 – 8:45 Dinner

8:45 – 9:30 A second Q&A period for the in-person audience only.

The event and dinner are free, and we very much hope that you can join us.
